

C CAW The Introduction of Standard Weights 1824-1826
and Measures in the Town and County of
Kingston upon Hull

Historical background: Enacted under an Act of Parliament dated 5 Geo. IV, C.74, the Weights and Measures Act 1824 introduced a uniformity of weights and measures in Great Britain. This was the imperial weights system, and all Justices were required to purchase standardised measures for their counties, including those of the County of Hull.

Description: Minutes, correspondence and a receipt from Edward Codd, Clerk of the Peace, or George Bramwell, his deputy.

Extent: 27 items

Related material: Additional records relating to the Corporation Meters and Weighers can be found at reference C TWM and within the council minutes at C TCM

Access conditions: Access will be granted to any accredited reader
