Hull Schools Christmas Party programme

1940

Accession Number: 15/56

Historical Background: Jean Penrose had been evacuated to Bourne in 1940 having previously been evacuated to Scarborough in 1939

Custodial History: Received by Jean Penrose who attended the party, and passed to the History Centre by her nephew, Ken Parker in 2015

Description: Programme for the party held at the Corn Exchange, Bourne for Hull children evacuated to that part of Lincolnshire

Extent: 1 item

Related Materials: The only records relating to the evacuation of children from Hull held by the History Centre are within the Hull Education Department records at C TED/1/1/6. The majority of these do not mention individual children's names but are concerned with the cost of evacuating children to other authorities. They are not indexed and to search them you would need to know which area the child was evacuated to. Please note that these records only refer to children evacuated by Hull Education Department, those evacuated privately will not be included.

Access Conditions: Access will be granted to any accredited reader
