and Mental Hospital Committee

Historical Background: The Asylum Committee of the Borough of Hull was established in 1879-1880 under the provisions of the Hull Extension and Improvement Act of 1882 to take upon themselves the duties, powers and provisions of the 1853 Lunatic Asylums Act. As a result, the Corporation built a new asylum at Willerby. By 1883-1884, as well as running the institution, the committee became the Asylum Visitors Committee as well, taking over that responsibility from a previously established body. During the years 1897-1900 the Asylum (Enquiry) Committee was established which had the brief to 'place the institution on a more safe and secure basis' and to report back to the main Asylum Committee. In 1924-1925, the committee was renamed the Mental Hospital Committee. In 1942-1943 it became the De La Pole Hospital Committee and continued as this until it was terminated in 1949-1950 when the hospital became the responsibility of the Health Service.

Custodial history: Records created as part of the work of the Asylum and Mental Hospitals Committee and routinely transferred from the Town Clerks Department. Some records acquired relate to activities before the committee was established and were inherited by them.
