

**C TCAB      Records of the Abattoirs Committee      1899-1923**

**Historical Background:** The Abattoirs (Special) Committee was established in 1899 to consider and report back to the council as the probable cost of suitable sites for a public abattoir and a municipal foreign cattle depot, which would also include it's own abattoir. In addition, the committee would consider any necessary buildings and equipment. From 1907 it became the Abattoirs Committee before becoming part of the Markets and Abattoirs Committee in 1922-1923.

**Description:** Apart from records within the main committee series and any associated reports, there does not appear to be any additional records for the Abattoirs (Special) Committee and the Abattoirs Committee
