

C TCBS The Hull Town Council Borough 1887-1889
Engineers Staff (Special) Committee

Historical Background: The Borough Engineers Staff (Special) Committee was established in 1887 in order to identify and report on the duties of the Borough Engineer, his department and staff and to make any necessary recommendations. It was wound up in 1889.

Description: Apart from records within the main committee series, there does not appear to be any additional records for the Borough Engineers Staff (Special) Committee

Access conditions: Access will be granted to any accredited reader
