

Hull History Centre: Hull City Council records relating to the inquiry by the National Ports Council into the proposed increase in port charges

**C TCNP Hull City Council records relating to the inquiry 1981-1983
by the National Ports Council into the
proposed increase in port charges**

Historical Background: When the British Transport Docks Board announced they wished to increase dock charges, a formal objection was lodged with the National Ports Council. The City Council called an informal group together to consider its response to the proposals, which was disbanded after the inquiry was completed.

Custodial history: Records created as part of the work of the City Council and routinely transferred from the Town Clerks Department

Description: Committee records including correspondence, reports and a draft transcription of the inquiry meeting

Extent: 1 bundle

Related material: The Hull History Centre has many records relating to the docks. For example within the Borough Records (C BR), other council committees (C TC) and those of the British Transport Docks Board/Associated British Ports (C DPD) whilst at C CQP can be found various plans submitted to the Quarter Sessions. In addition, other individual records can be located at C DMM/63 and within C DMX. Please see our online catalogue for more details.

Access conditions: Access will be granted to any accredited reader
