

## **C TCQD Hull Corporation Queen's Dock Committee, records 1932-1935**

**Historical Background:** The future of the Queen's Dock in Hull had been the subject of much speculation and as a result the City Council established a special committee in May 1929 to consider the issue. The committee would be able to negotiate with the London and North Eastern Railway Company regarding the purchase of the Queen's Dock Estate site and the filling in of the dock. By the time of its reappointment in the following year, the term 'Special' had been dropped from the official title. The committee was disbanded in October 1935 after completion of the work on the dock, and its responsibilities were passed to the Works, Electricity, Property and Bridges, Water and Parks and Burials Committees.

**Custodial history:** Records created as part of the work of the Queens Dock Committee and routinely transferred from the Town Clerks Department

**Description:** Committee records including minutes, correspondence, memos, reports and a plan

**Extent:** 1 bundle
