

C TCST Hull Municipal Corporation Streets (Special) Committee 1948

Historical Background: Made up of the Chairman and Deputy Chairman of both the Works and Watch Committees, the first Streets (Special) Committee was established in February 1911. It could make orders preventing obstructions in the street during public processions, rejoicing or illuminations or where streets are thronged or liable to obstruction. It was an ad-hoc committee, only called when required. Its responsibilities were taken over by the Technical Services Committee in 1974 under the reorganisation of local government.

Custodial history: Records created as part of the work of the Streets (Special) Committee and routinely transferred from the Town Clerks Department

Description: Committee minutes and a notice

Extent: 1 item and 1 bundle

Related material: See council minutes in the searchroom and any associated reports within these volumes or at reference C TCR/1, after 1931

Access conditions: Access will be granted to any accredited reader
