Harrison's Hospital, records

1796-1903

Historical Background: John Harrison founded a hospital in Chapel Lane and in his will of 1550 he left it to his wife and after her death to the Corporation. The hospital housed 10 people and was rebuilt on the same site in 1723. It was one of the Municipal Hospitals, consolidated in 1887 on Northumberland Avenue.

Description: Daybook

Extent: 0.25 box
