

L DSPH Items relating to the Hull Philharmonic Society 1896-2015

Historical Background: On 1 Jun 1881 a group of 17 men met at the George Hotel, Hull, for the purposes of establishing a society for 'the private and Public Performance of Orchestral Music at Hull be called the Hull Philharmonic Society' [C DSPH/1/1/1]. Membership was to be by subscription and subscribers were to be entitled to free tickets to orchestral concerts arranged by the Society and performed by its Orchestra. The Society was to operate on a seasonal basis, this season running from Autumn to Summer and thus spanning two consecutive years. The Society was to be led by a President, aided by Vice-Presidents, an Honorary Secretary, an Honorary Treasurer, and a Conductor. An Executive Committee was established to manage the affairs of the Society and regular meetings of this committee were held to agree the musical programme for the season and to make arrangements for concerts.

See C DSPH for further details on the Society.
