

C CQG Recorders' Note Books for Hull Quarter Sessions 1875-1971

Historical background: There were county courts held by the magistrates (also known as Justices of the Peace) from the 14th century four times a year at Epiphany (Jan-Mar), Easter (Apr-Jun), Midsummer (Jul-Sept) and Michaelmas (Oct-Dec). The work of these courts was varied. They dealt with criminal matters from petty theft to rape. Quarter sessions courts also dealt with administrative matters such as licensing. Many Poor Law cases found their way into the Quarter sessions Courts. More serious crimes were referred on to the assize courts where professional judges could handle them, rather than the Justices of the Peace. Assizes were held in Hull at irregular intervals until 1794. Thereafter prisoners committed to the assizes by Hull courts were tried at York.

A Recorder was a legal officer, with knowledge of criminal and civil law within a county or borough, appointed by the mayor and aldermen of the corporation to 'record' the proceedings of their courts.
