

**C DIBH Records relating to Hull Municipal Training College 1948-1949
and Hull University College Institute of Education**

Accession number: 13/72

Historical Background: The University College Hull Institute of Education had been established in 1948 and worked with the Municipal Training College in the training of teachers

Custodial history: Acquired by Edna Schorah who attended the college before moving to Barnsley and were deposited at the History Centre on her death by her long time friend Bridget Hopkinson in 2013

Description: Photograph and Examination results table

Extent: 2 items

Related Materials: The council minutes will give much information regarding the municipal college with some additional records at C TED/2/405-497 and C TED/1/2/4. Within C TCE/7 are a series of indentures relating to students attending the college. A photograph album of life at Hull Municipal Training College along with a prospectus of the inside of the College can be found at C DISF, whilst there are a number of postcards illustrating life at the college within the albums at L RH/2. A history of the college, 'The First Fifty Years: A brief history of the Kingston upon Hull Training College' by Cyril Bibby is located at L.370.73. A similar history for the university, written by T.W. Bamford ('The University of Hull: the first 50 years') will give a background to the Institute of Education and is at L.378.
