

C DIEC **Personal Injury Records for** **1916-1933**
North Eastern and London and
North Eastern Railway Employees

Accession number: 13/75

Historical Background: Correspondence created by the North Eastern Railway (London & North Eastern Railway after 1923) relating to personal injuries sustained by their employees in order to ascertain compensation payable to them under the Workmens Compensation Act 1906.

Custodial history: The files were rescued from a skip by Mr Scarlett in the mid 1980s and deposited with the Hull History Centre in May 2013.

Description: Correspondence files generated following a personal injury whilst at work on the railways detailing any compensation payable under the Workmens Compensation Act, 1906

Extent: 6 files

Related material: Records relating to the North Eastern Railway and London and North Eastern Railway can be found amongst many of the collections held at the Hull History Centre. These can be searched via the on line catalogue and include plans at C CQP, and plans, maps, valuations and reports at C DBHT.
