

**C DILT                      Photographs by Tony and Hilary Lambert                      c.1986-1995**

**Accession number:** 24/18

**Biographical Background:** Anthony Leon Lambert, (Tony) was born in Essex in 1936. He worked as an educational psychologist in Hull as well as in the East Riding of Yorkshire. Tony studied at the Hull College of Higher Education, and was awarded his degree from Humberside University. Many of these photographs relate to Tony's degree. Tony passed away in 2017. Hilary Lambert was born on Cottingham Road. She grew up and was educated in Willerby, Kirkella and Beverley. Hilary met Tony in 1976 and continues to reside in Hull.

**Custodial history:** Deposited by Hilary Lambert in October 2023

**Description:** These photographs relate to several projects undertaken by Tony Lambert with three prints at C DILT/7 produced by the depositor, Hilary Lambert. Also includes a series of prints showing the Yorkshire coast, mainly North Yorkshire, but includes some of Spurn.

**Arrangement:** The photographs were taken in relation to a project/exhibition, or a particular topic or subject and therefore have been retained in this order.

- C DILT/1      Dysch-Rosen, shoe manufacturers, prints and text, Hull College of Higher Education [project] Oct 1987-Jun 1988
- C DILT/2      Waste in Humberside prints, Jun 1991
- C DILT/3      Water tower prints, c.1993
- C DILT/4      Hull Victoria Dock Line Project, prints and text
- C DILT/5      Prints of the Yorkshire coast, early 1990s
- C DILT/6      Material relating to The Documentary Route: an exhibition of student work, BA (Hons) visual studies, part-time degree by the Humberside College of Higher Education, 1986
- C DILT/7      Prints produced by Hilary Lambert, early 1990s
- C DILT/8      Hull Photographic Society Annual Exhibition booklets, 1993-1995

**Extent:** 1 bundle, 91 items

**Access conditions:** Access will be granted to any accredited reader
