

**C DMAA Records relating to the unloading of timber Early 20th cent.
at Victoria Dock, Hull**

Accession number: 01/00

Historical Background: The importation of timber was quite significant in the Hull's development as a port, and facilities were extended to accommodate this trade. Hull's Victoria Dock opened in 1850, and was extended in 1863. In the 1905 Kelly's Trade Directory for Hull, William H. Duncan of 15 Anlaby Road is listed as a photographer.

Custodial history: Material was rescued from a solicitors office by Philp Hampel, who was based in the office above

Description: Set of photographs depicting the unloading and working of timber cargoes on Victoria Dock, Hull. All except C DMAA/5, which is an en-print, are mounted and labelled 'W H Duncan, 15 Anlaby Road'.

Extent: 6 items

Related material: Hull History Centre has many other records relating to the docks. Please see the online catalogue and card indexes at the centre for more details.

Access conditions: Access will be granted to any accredited reader
