Records of the Hull Guild of Building

1931-1997

Accession number: 03/18

Historical Background/Biographical Background: The Hull Guild of Building was founded after a meeting held in December 1931 at Hull Technical College. The aim of the organisation was 'for the encouragement of the studies in connection with the advancement of art, science and craft in building'. This would be done through a review of the work of members and through regular lectures. In addition, it would also provide social opportunities for members. It was governed by a president and a council, elected by all members.

Custodial history: Records deposited by Mr Spurgeon, former secretary of the Guild via Mr. C Ketchell, Local History Unit, Hull College in 2003

Description: Includes minutes of council and annual general meetings, membership applications, copies of the guild reviews, programmes for an exhibition for the building trade and blank certificates
