

C THDS **Records of the Hull City Council Health** **1956-1987**
Department Disinfecting Station

Accession number: 15/12

Historical Background: In June 1898 the decision was made to build a new disinfecting station after loss to the council of the Garrison Hospital site. The new station was built on West Dock Street, but it was also known as the Scarborough Street station. It closed in 1983 and was replaced by a smaller unit in Witham.

Custodial history: Found in the offices of the Environmental Health Department and passed to the History Centre by Shaun Martin in April 2015

Description: Disinfecting Station Bathing Register

Extent: 1 volume

Related material: The reports of the Medical Officer of Health, which will give other information on the stations use can be located at L.352.4 and at C TMY/2/2. Plans relating to the site can be located at c TSC/8 and C TAH/1/3/5/1.

Access conditions: Access will be granted to any accredited reader, except for those items containing information on named individuals which may be restricted in accordance with the Data Protection Act. To consult these records please see staff for details.
