

**C WLP                                      The Hull Local Pensions Committee                                      1908-1948**

**Historical Background:** The committee was established under the Old Age Pension Act (7 Edw 7c.40) and was wound up on the transfer of pensions administration to central government in 1948. Its primary function was to adjudicate on claims for pensions. From 1908 to 1930 it operated through a series of sub-committees, each concerned with two wards. From 1930 onwards all business was dealt with by the main committee
