Manor of Sutton in Holderness

1589

Historical Background: A sixth part of this manor was granted to Hull Corporation by the charter of 1552. This was as a consequence of the Town's support of Henry VIII during the Pilgrimage of Grace, although the charter was not completed until after his death. This property had been previously owned by the Mauley family.

Custodial history: Collected as part of Corporation's records

Description: Court roll

Extent: 1 item

Access conditions: Access will be granted to any accredited reader

Language: Latin
