Hull Soup Kitchen Society, records

1861

Historical Background: The Hull Soup Kitchen Society, established in 1861, appears to have operated on two sites in Holderness Ward. One was in The Groves, with the other in Drypool. The Society may have been established as a result of a need to offer relief to those affected by the adverse weather conditions of the previous months.

Description: Day book

Extent: 1 item

Related material: The records of meetings held in January 1861 regarding relief for the necessitous poor can be located at C WM/93
