Related material: The Hull History Centre has many more records relating to all the strands of Methodism in the area, at district, circuit and church and chapel levels, and not just for the Primitive Methodist Church. These records have been catalogued by circuit. The East Hull Circuit are at reference C DCE and the Trinity Circuit records are at C DCT. This circuit later merged with the West Hull Circuit, whose records are at C DCW. The Mission Circuit records can be found at reference C DCM. These can be searched via the online catalogue.
