

L DLTF Records of the Sons of Temperance Friendly 1915-1957
Society, Hull Branch/Grand Division

Historical Background: Originally founded in the U.S.A., the Sons of Temperance Friendly Society came to the Great Britain in 1849. Discussions regarding the organisation's presence in Hull began in 1864, with the first branch formed in 1865. Although the Hull branch was wound up, the organisation is still operating internationally, and continues to encourage temperance and mutual support amongst its members.

Custodial history: L DLTF/1 was deposited by Mr Clay at the Hull Local Studies Library in January 1989

Description: Volume of letters; Cadet roll and cash book.

Extent: ¾ box

Related material: Additional records including some annual reports and publications celebrating the society's jubilee can be located at L.178.06.

Access conditions: Access will be granted to any accredited reader
