

**L MAPS**

**Maps, charts, and surveys**

**1293-1998**

**Historical Background:** Transferred from the Local Studies Library, previously on Albion Street to the Hull History Centre in 2010.

**Custodial history:** Previously held in the Local Studies Library on Albion Street.

**Description:** Various maps covering drainage, land use, navigation charts, historical maps of Hull, maps of the East Riding of Yorkshire, docks and railway maps, geological surveys and aeromagnetic maps. L MAPS/10 is a single German Luftwaffe Map of Stoneferry. See arrangement for covering dates. For more details on our map holdings visit:

<https://www.hullhistorycentre.org.uk/research/research-guides/browse-maps-plans.aspx>

**Arrangement:**

L MAPS/1	Drainage Maps	16th century-1906
L MAPS/2	Land use maps	1931-1967
L MAPS/3	Navigation charts	c.1650-1997
L MAPS/4	Historical maps of Hull	1293-1937
L MAPS/5	Maps of the East Riding of Yorkshire	1673-1898
L MAPS/6	Maps of Yorkshire	1577-1840
L MAPS/7	Maps of docks and railways	1772-1971
L MAPS/8	Geological surveys	1881-1998
L MAPS/9	Aeromagnetic maps	1955-1987
L MAPS/10	German Luftwaffe Maps	1941

**Extent:** 3 volumes, 352 items

**Related material:** Ordnance Suvery maps (1853-present day) are available to view in the library area. These are 1:500, 1:1250, and 1:2500 scales.

Although we hold some Ordnance Survey maps for parts of the East Riding (1853, 1892-1928), a more complete series will be available at the East Riding Archives at Beverley.

**Access conditions:** Access will be granted to any accredited reader

**Copyright:** Some maps in this collection may be under copyright. Please speak with a member of staff for more details. Also see Sheppard, Thomas, *Evolution of Kingston upon Hull*, L.9.7. Copy available in library and searchroom.

<b>L MAPS/1</b>	<b>Drainage Maps</b> Covering Hull, Holderness and East Riding 21 items	<b>16<sup>th</sup> cent.- 1906</b>
L MAPS/1/1	Drainage of Hull 2 items	16 <sup>th</sup> cent.

Maps, charts, and surveys

L MAPS/1/2	<p>Plan of an actual survey of part of the middle and North Bailiwicks of Holderness.</p> <p>Describing the low grounds and drains which are almost continually overflowed with water. C. Tate Surveyor, with a scheme for draining the same. By Messrs Grundy and Smeaton, Engineers 1764. Includes a drawing of a Scale of Chains. Previous reference: LM7 and LM19.</p> <p>2 items</p>	1764
L MAPS/1/3	<p>Plan of the intended drainage and navigation from the River Humber to Market Weighton in the East Riding of the County of York.</p> <p>Gives the intended drainage and navigation up Long Dike, Ragg-Dike, Foulney, Everingham &amp; Harswell Beck to Shipton Common. Surveyed by Smithson Dawson in Feb 1772, John Smith, engineer. Includes a key and a table that details in feet and inches the water level 'rise to several particular places upon the intended navigation and drainage'. Scale: 60 chains in one inch. Previous Reference: LM7 and LM19.</p> <p>2 items</p>	1772
L MAPS/1/4	<p>Plan of the Holderness Drainage in the county of York.</p> <p>By A. Bower, Surveyor. Includes a drawing of a scale of chains. Previous Reference: LM7 and LM19.</p> <p>2 items</p>	1781
L MAPS/1/5	<p>Plan of the proposed alterations and improvements in the Holderness Drainage in the East Riding of the county of York, by Edward Page.</p> <p>Scale 80 chains to 1 mile. Previous Reference: LM10 and LM19.</p> <p>2 items</p>	May 1831
L MAPS/1/6	<p>Plan of the proposed alterations and improvements in the Market Weighton Drainage, by Edward Page.</p> <p>Scale of 24 chains to an inch. Previous Reference: LM7.</p> <p>2 items</p>	Jul 1831
L MAPS/1/7	<p>Copy of plan showing land drainage in North and South Myton, by George Wilkinson</p> <p>1 item</p>	c.1846

Maps, charts, and surveys

L MAPS/1/8	<p>Plan of the low grounds situate in several Parishes, Townships etc. within the Holderness Drainage in the East Riding of the County of York., by P. Spencer.</p> <p>Includes Sutton, Ganstead, Swine, Benningholme, Benningholme Grange and Fairholme, North Skirlaugh, Rowton, Arnold, Long Riston, Leven, Heigholme, Hallytreeholme, Brandesburton, Bursall, Eske, Tickton, Weel, Routh, Meaux and Waghen. Includes a drawing of a scale of chains. Previous Reference: LM7.</p> <p>1 item</p>	1848
L MAPS/1/9	<p>Plan of the low grounds within the Beverley and Barmston drainage in the East Riding of the County of York, by Gregory Page.</p> <p>Showing the section of the main drain from Hull to Barmston. Includes a horizontal scale of one eighth of an inch to one mile, and a vertical scale of 20 feet to an inch. Previous Reference: LM10.</p> <p>2 items</p>	1852
L MAPS/1/10	<p>Plan showing the Holderness Drainage, by James Oldham, Civic Engineer, Hull.</p> <p>Includes a scale of chains. Previous Reference: LM10.</p> <p>1 item</p>	Jan 1854
L MAPS/1/11	<p>West District Drainage Plan No.1, Local Board of Health Kingston Upon Hull.</p> <p>General plan showing the line of proposed outfall sewers. Includes a scale of chains and a scale of feet. Previous Reference: LM10.</p> <p>1 item</p>	1862
L MAPS/1/12	<p>West District Drainage plan no. 18, Local Board of Health, Kingston Upon Hull, by Sharp, C.E. surveyor to the local board.</p> <p>Shows sections of proposed lines of outfall sewers. Includes a vertical scale and horizontal scale. Previous Reference: LM10.</p> <p>1 item</p>	16 Apr 1862
L MAPS/1/13	<p>West District Drainage plan no. 21, Local Board of Health, Kingston Upon Hull, by Sharp, C.E. surveyor to the local board.</p> <p>Plan showing improved approach to the railway station from Prospect Street. Includes a drawing of a scale of feet. Previous Reference: LM10.</p> <p>1 item</p>	16 Apr 1862

Maps, charts, and surveys

L MAPS/1/14	Holderness Road Drain Ordnance Survey Includes description of characteristics and symbols. Scale Six inches to One Mile. Previous Reference: LM19. 1 item	1906
<b>L MAPS/2</b>	<b>Land use maps</b> Colour maps showing land utilisation surveys and land classification 14 items	<b>1931-1967</b>
L MAPS/2/1	Land Utilisation Survey of Britain: Scarborough Area covering Flamborough Head, Thwing, Rillington, Wykeham High Moor, Staintondale and Scarborough. Scale of one inch to one mile. 1 item	1931-1936
L MAPS/2/2	Land Utilisation Survey of Britain: York Area covering Pocklington, Escrick, Tadcaster, Whixley, Brafferton, Easingwold, High Hutton and Langton. Scale of one inch to one mile. 1 item	1931-1937
L MAPS/2/3	Second Land Utilisation Survey of Britian: Hatfield Moors (SE 60 and SE 70). Land Use Sheet 655, covering areas Barnby Dun with Kirk Sandall, Hatfield, Belton, Epworth, Haxey, Auckley and Edenthorpe. Scale 1:25,000. 1 item	1961-1966
L MAPS/2/4	Second Land Utilisation Survey of Britain: Thorne (SE 61 and SE 71). Land Use Sheet 667, covering areas Pollington, Thorne, Eastoft, Crowle, Stainforth and Kirk Bramwith. Scale 1:25,000. 1 item	1962-1967
L MAPS/2/5	Second Land Utilisation Survey of Britain: Goole (SE 62 and SE 72). Land Use Sheet 677, area covering Barlow, Howden, Kilpin, Reedness, Rawcliffe, Gowdale and Temple Hirst. Scale 1:25,000. 1 item	1961-1966
L MAPS/2/6	Second Land Utilisation Survey of Britain: Kingston Upon Hull (South) (TA02 and TA12) Land Use Sheet 679, area covering Paull, Barrow Upon Humber, Barton Upon Humber, Westella, Kingston Upon Hull, Hedon. Scale 1:25,000. 1 item	1962-1967

Maps, charts, and surveys

L MAPS/2/7	Second Land Utilisation Survey of Britain: Selby (SE 63 and SE 73). Land Use Sheet 689, area covering Eastrington, Hemingbrough, Selby, Riccall, Skipworth, Ellerton, Water End and Welhambridge. Scale 1:25,000. 1 item	1962
L MAPS/2/8	Second Land Utilisation Survey of Britain: York East (SE 65 and SE 75). Land Use Sheet 709, area covering Yapham, Wilberfoss, Osbaldwick, New Earswick, Haxby, Claxton, Bugthorpe and Bishop Wilton. Scale 1:25,000 1 item	1962-1965
L MAPS/2/9	Second Land Utilisation Survey of Britain: Elvington (SE 64 SE 74). Land Use Sheet 699, area covering Seaton Ross, Escrick, Naburn, Fulford, Elvington, Barmby Moor and Bielby. Scale 1:25,000. 1 item	1961-1965
L MAPS/2/10	Agricultural Land Classification of England and Wales, Sheet 92: Pickering. Ordnance Survey, area covering Fimber, Flaxton, Tollerton, Kilburn, Carlton, Glaisdale Moor, Sneaton High Moor, Ebberston. Scale: one inch to one statute mile. 1 item	1963
L MAPS/2/11	Agricultural Land Classification of England and Wales, Sheet 93: Scarborough. Ordnance Survey, area covering Bridlington, Wintringham, Flyingdales Moor, Ruswarp, Scarborough and Flamborough Head. Scale: one inch to one statute mile. 1 item	1963
L MAPS/2/12	Agricultural Land Classification of England and Wales, Sheet 97: York. Ordnance Survey, area covering Pontefract, Wetherby, Great Ouseburn, Stamford Bridge and Goole. Scale: one inch to one statute mile. 1 item	1960
L MAPS/2/13	Agricultural Land Classification of England and Wales, sheet 98: Market Weighton. Ordnance Survey, area covering South Ferriby, Goole, Selby, York, Flaxton, Garton-On-The-Wolds and Bishop Burton. Scale: one inch to one statute mile. 1 item	1962

Maps, charts, and surveys

L MAPS/2/14	Agricultural Land Classification of England and Wales, sheet 99: Kingston Upon Hull. Ordnance Survey, area covering Kingston Upon Hull, Great Driffield, Fraisthorpe, Holmpton and Barton-Upon-Humber. Scale: one inch to one statute mile. 1 item	1962
<b>L MAPS/3</b>	<b>Navigation Charts</b> The majority of the navigation maps show the River Humber, if not whole then in part 69 items	<b>c.1650-1997</b>
L MAPS/3/1	Map of the River Humber Shows the whole of the River Humber, as well as Yorkshire and Lincolnshire. Previous reference: LM10. 1 item	c.1650
L MAPS/3/2	Description of a River called Hull, Osborne 1668 Map showing the River Hull 1 item	1668
L MAPS/3/3	The River Humber most humbly dedicated and presented to the workshop corporation of Trinity House at Kingston Upon Hull, by Captain Greenville Collins, Hydrog, to the King. Shows the entrance to the River Humber covering Lincolnshire and Yorkshire, up to Hull and Barton. One of the maps is a coloured version. Previous reference: LM6. 2 items	1680-1690
L MAPS/3/4	Chart of the Humber from a copy of a "Plan of Kingston Upon Hull" in the Royal Library at the British Museum. Shows the entrance to the River Humber, showing part of Holderness and Lincolnshire. Previous reference: LM20. 2 items	1725
L MAPS/3/5	Draught of the River Humber humbly dedicated to the worshipful corporation of Trinity House of Kingston Upon Hull, by Rob Mitchell. Shows the entrance to the River Humber, showing part of Holderness and Lincolnshire. Previous reference: LM10. 1 item	1778

Maps, charts, and surveys

L MAPS/3/6	<p>A correct chart of the East Coast from Hasbrough or Haisborough Sand to Kingston Upon Hull, by Diston. Includes directions from Spurn Head to Cromer and Hasbrough Sand. Previous reference: LM10. 1 item</p>	1797
L MAPS/3/7	<p>Survey of the Humber from Spurn to the West-end of Sunk Island, taken in February 1797, by Captain William Bligh of His Majesty's ship director. Grimsby Wet Dock was inserted on this plan in 1805 from a plan by Jos. Plaskett. Previous reference: LM20. 1 item</p>	1797
L MAPS/3/8	<p>Chart of the East Coast of England and Scotland from the Humber to Aberdeen, dedicated to the Merchants and Masters of Vessels employed in the Coasting Trade by William Heather. Shows individual charts for the the River Tyne, the River Humber, Holy Island and Aberdeen Road. Previous reference: LM10. 1 item</p>	1798
L MAPS/3/9	<p>A New Chart of the Eastern Coasts of England from Orford Ness to Flamborough Head Includes Lynn and Boston Deeps, the River Humber, constructed partly from the recent surveys made by order of the Honourable Corporation of Trinity House, but principally from the surveys and remarks of Mr Geo. Holditch of Lym Regis. Previous reference: LM20. 1 item</p>	1810
L MAPS/3/10	<p>Plan of the River Hull Banks in 6 sections, by Bowen Section A: Shows area between Wawn Ferry and Black Bank. Section B: Shows area between Weel Ferry and Figham Clough including the Weir and Grove Hill Section C: Shows area between Hull Bridge and Puffin Corner. Section D: Shows area between Leven Lock and Wilshome including Ike Beck and Lunley Hill Section E: Showing area between Jonathon Smiths and Mickley Bank including Baswick Steer and Bransburton shuttle. Section F: Showing area between Brick Bridge and the edge of high lands in Weedland 6 items</p>	1816

Maps, charts, and surveys

L MAPS/3/11	<p>Chart of the River Humber taken from an actual survey in the years 1821 and 1822, dedicated by permission to the worhsipful the wardens, elder brethren and assistants of the Trinity House or Kingston Upon Hull by their obedient servant John Hall.</p> <p>Shows entrance to the River Humber up to Kingston Upon Hull, as well as parts of Holderness and Lincolnshire, and has a scale of english miles. Previous reference: LM10.</p> <p>1 item</p>	1822
L MAPS/3/12	<p>Survey of the entrance to the River Humber by Commander William Hewett, R. N., made by order of The Lords Commissioners of the Admiralty Shows entrance to the River Humber up to South Ferriby/North Ferriby, as well as showing parts of Lincolnshire and Yorkshire and has a scale of nautic miles. Previous reference: LM10.</p> <p>2 items</p>	1828
L MAPS/3/13	<p>New Chart of the River Humber, dedicated to the merchants and ship owners of Kingston Upon Hull by J. W. Grant.</p> <p>Shows entrance to the River Humber up to Kingston Upon Hull, as well as showing parts of Holderness and Lincolnshire. Previous reference: LM10.</p> <p>1 item</p>	1835
L MAPS/3/14	<p>Plan of the River Humber showing the situation of the new established lights and buoys at Paull, Killinghome and Stony Binks, by order of the Trinity House, Hull.</p> <p>With directions for ships sailing by the Humber lighthouses and a scale of nautic miles. Previous reference: LM10.</p> <p>1 item</p>	1836
L MAPS/3/15	<p>The chart of part of the Rivers Humber and Ouse from Hull Roads to Goole.</p> <p>Taken from the survey of the committee appointed for that purpose by the corporation of the Trinity House of Kingston Upon Hull, and taken by John Hall, Esquire, Chairman of the Committee. Shows area from Kingston Upon Hull up to Howden. Includes an illustration titled 'View of Hull from The Humber' and a scale of miles. Previous reference: LM10.</p> <p>1 item</p>	1848

Maps, charts, and surveys

L MAPS/3/16	<p>Chart of the River Humber taken from an actual survey in the years 1821 and 1822 is dedicated by permission to the worhsipful the wardens, elder brethren and assistants of the Trinity House of Kingston Upon Hull by their obedient servant John Hall.</p> <p>Shows the mouth of the River Humber from Donna Nook to Kingston Upon Hull, as well as showing parts of Lincolnshire and Holderness, with a scale of english miles. Previous reference: LM10.</p> <p>2 items</p>	1852
L MAPS/3/17	<p>Entrance to the River Humber surveyed by E. K. Calver Master R.N., assisted by E. C. Davison R.N.</p> <p>Shows the mouth of the River Humber up to Kingston Upon Hull, with a separate map for Kingston Upon Hull and Grimsby Road, and a scale of 10 cables to one sea mile. Previous reference: LM10.</p> <p>1 item</p>	1859
L MAPS/3/18	<p>Entrance to the River Humber surveyed by E. K. Calver Master R.N. Assisted by E. C. Davison R.N.</p> <p>Shows the mouth of the River Humber up to Kingston Upon Hull, with a separate map for Kingston Upon Hull and Grimsby Road, and a scale of 10 cables to one sea mile. Previous reference: LM10.</p> <p>1 item</p>	1870
L MAPS/3/19	<p>Entrance to the River Humber surveyed by Staff Captain J. Parsons, R.N.</p> <p>Shows the mouth of the River Humber up to Kingston Upon Hull, with a separate map for Kingston Upon Hull and Grimsby Road, and a scale of 10 cables to one sea mile. Previous reference: LM10.</p> <p>1 item</p>	1881
L MAPS/3/20	<p>Entrance to the River Humber surveyed by Staff Captain J. Parsons, R.N.</p> <p>Shows the mouth of the River Humber up to Kingston Upon Hull, with a separate map for Kingston Upon Hull and Grimsby Road, and a scale of 10 cables to one sea mile. Previous reference: LM10.</p> <p>1 item</p>	1882

Maps, charts, and surveys

L MAPS/3/21	<p>Map of England's East Coast from Trusthorpe to Flamborough Head surveyed by Captain Hewett in 1830, and the River Humber by staff captain J. Parsons in 1877.</p> <p>Shows the entrance to the River Humber from Trusthorpe to Flamborough Head, showing parts of Lincolnshire and Yorkshire. Previous reference: LM10.</p> <p>1 item</p>	1888
L MAPS/3/22	<p>Map of the River Humber, from Blakeney to Flamborough Head from surveys by Captain Hewett.</p> <p>Shows parts of Norfolk, Lincolnshire and Yorkshire. Previous reference: LM20.</p> <p>1 item</p>	1890
L MAPS/3/23	<p>Map of the entrance to the River Humber, from Donna Nook up to Kingston Upon Hull, surveyed by Staff Captain J. Parsons, R.N.</p> <p>With separate maps for Kingston Upon Hull and Grimsby Road. Scale 10 cables to one sea mile. Previous reference LM10.</p> <p>1 item</p>	1898
L MAPS/3/24	<p>Map of the entrance to the River Humber, from Donna Nook to Kingston Upon Hull, surveyed by Captain G. E. Richards, R.N.</p> <p>With separate maps for Kingston Upon Hull and Grimsby Road. Scale 10 cables to one sea mile. Previous reference: LM10.</p> <p>1 item</p>	1903
L MAPS/3/25	<p>Map of the entrance to the River Humber up to Kingston Upon Hull, surveyed by Captain G.E. Richards, R.N. HM Surveying Ship "Triton" 1899-1900.</p> <p>Colour key showing depths in fathoms. Scale 10 cables to one sea mile. Previous reference: LM10.</p> <p>1 item</p>	1911
L MAPS/3/26	<p>Diagram showing new "Uniform System of Lighting" adopted by The Humber Conservancy Board in 1924.</p> <p>Showing the River Humber from Hessle to Blacktoft. Scale two inches to one statute mile. Reference key showing colour coded lights on the Humber. Previous reference: LM10.</p> <p>1 item</p>	1924

Maps, charts, and surveys

L MAPS/3/27	<p>Diagram showing new "Uniform System of Lighting" adopted by The Humber Conservancy Board in 1924.</p> <p>Shows the River Humber from Cleethorpes up to Kingston Upon Hull. Scale one inch to one statute mile. Reference key showing colour coded lights on the Humber. Previous reference: LM10.</p> <p>1 item</p>	1924
L MAPS/3/28	<p>Map of the entrance to the River Humber, from Donna Nook to Kingston Upon Hull, compiled from the latest information in the Hydrographic Office With tables for tidal information and directions and rates of the tidal streams. Previous reference: LM10.</p> <p>1 item</p>	1924
L MAPS/3/29	<p>Map of the River Humber, from Thorngumbald Lights to Barton Haven including Hull Road, surveyed by the Humber Conservancy Board Shows Skitter Haven/Thorngumbald Clough to Barton Haven. Scale of 10 cables to 1 sea mile. Previous reference: LM10.</p> <p>1 item</p>	1929
L MAPS/3/30	<p>Map of the entrance to the River Humber, from Donna Nook to Kingston Upon Hull, compiled from the latest information in the Hydrographic Office Includes a key showing tidal information and directions and rates of the tidal streams. Previous reference: LM10.</p> <p>1 item</p>	1930
L MAPS/3/31	<p>Map of the River Humber, from Stallingborough Haven to Barton Haven, surveyed by the Humber Conservancy Board.</p> <p>Includes a description of the docking lights in Kingston Upon Hull, a diagram showing buoyage and ships course from sea to Killingholme, a map showing the entrance to the Port of Grimsby, a key showing the uniform system or lighting floating marks and method of marking wrecks. With a scale of sea miles, a scale of feet and a table showing direction rates of the tidal streams. Previous reference: LM10.</p> <p>1 item</p>	1938

Maps, charts, and surveys

L MAPS/3/32	<p>Map of the River Humber, from Stallingborough Haven to Barton Haven, surveyed by the Humber Conservancy Board.</p> <p>Includes a diagram showing bouyage and ships course from sea to Killingholme, a map showing the entrance to the Port of Grimsby, a key showing system of buoyage and method of marking wrecks. With a scale of sea miles, a scale of feet and a table showing direction rates of the tidal streams. Previous reference: LM10.</p> <p>1 item</p>	1949
L MAPS/3/33	<p>Map of the River Humber, from Barton Haven to Burton Stather, compiled from an Engineer's Survey for the Humber Conservancy Board</p> <p>Includes a table showing tide gauges used at locations between Hessle and Burton Stather. Scale of 3 inches to one mile. Previous reference: LM10</p> <p>1 item</p>	1950
L MAPS/3/34	<p>Block correction for the Humber Conservancy Board's published chart of River Humber</p> <p>Shows survey between No.13 Clay Huts Light Float and No.17 North Holme Light Float, 2-30 December 1949. Previous reference: LM10.</p> <p>1 item</p>	1950
L MAPS/3/35	<p>Map of England's East Coast, showing the entrance to the River Humber from surveys by H. M. Surveying Ship "Scott" 1946, and the Humber Conservancy Board in 1951.</p> <p>Includes tables showing tidal information and chart datum and tidal streams. Previous reference: LM10.</p> <p>1 item</p>	1951
L MAPS/3/36	<p>Map of England's East Coast, showing the River Humber, from Thorngumbald Lights to Barton Haven including Hull Road, compiled from surveys by the Humber Conservancy Board in 1951</p> <p>Includes a table showing tidal streams. Previous reference: LM10.</p> <p>1 item</p>	1952

Maps, charts, and surveys

L MAPS/3/37	<p>Map of England's East Coast, showing the River Humber, from Stallingborough Haven to Thorngumbald Lights, including Immingham and White Booth Roads, compiled from a survey by the Humber Conservancy Board in 1951. Includes a table showing tidal streams. Previous reference: LM10. 1 item</p>	1952
L MAPS/3/38	<p>Map of the River Humber, from Stallingborough Haven to Barton Haven, surveyed by the Humber Conservancy Board. Includes a Diagram showing bouyage and ships course from the sea to Killingholme, a map showing the entrance to the Port of Grimsby, a table showing the system of buoyage and method of marking wrecks. Previous reference: LM10. 1 item</p>	1952
L MAPS/3/39	<p>Map of England's East Coast, from Blakeney to Flamborough Head, compiled from admiralty surveys carried out up to 1950. Includes tables showing tidal streams, approximate heights and distances, British units in metres and tidal information and chart datum. Previous reference: LM20. 1 item</p>	1953
L MAPS/3/40	<p>Map of England's East Coast, showing the River Humber, from Spurn Point to Immingham Dock, surveyed by Commander R. Bill and the Officers of H.M. Surveying ship "Scott". Includes tables showing tidal information, chart datum and tidal streams. Previous reference: LM6. 1 item</p>	1953
L MAPS/3/41	<p>Map of England's East Coast, from Blakeney to Flamborough Head, compiled from admiralty surveys carried out up to 1955. Includes tables showing tidal streams and tidal information. Previous reference: LM10. 1 item</p>	1957
L MAPS/3/42	<p>Map of England's East Coast, from Hartlepool to Flamborough Head, compiled from British admiralty surveys carried out up to 1932. Includes tables showing tidal streams, tidal information and chart datum. Previous reference: LM10. 1 item</p>	1960

Maps, charts, and surveys

L MAPS/3/43	<p>Map of the River Humber, from Stallingborough Haven to Barton Haven, surveyed by the Humber Conservancy Board.</p> <p>Includes a diagram showing buoyage and ships course from the sea to Killingholme, a map showing the entrance to the Port of Grimsby and a key to the system of buoyage and method of marking wrecks. Previous reference: LM20.</p> <p>1 item</p>	1962
L MAPS/3/44	<p>Map of England's East Coast, showing the River Humber, from Spurn Head to Immingham Dock.</p> <p>Includes tables showing tidal information, chart datum and tidal streams. Previous reference: LM6.</p> <p>1 item</p>	1962
L MAPS/3/45	<p>Map of England's East Coast, showing the River Humber, from Immingham Dock to Barton Haven.</p> <p>Includes tables showing tidal streams, tidal information and chart datum. Previous reference: LM10.</p> <p>1 item</p>	1962
L MAPS/3/46	<p>Map of the River Humber, from Barton Haven to Burton Stather, reduced from an engineer's survey by direction of the Humber Conservancy Board.</p> <p>Includes a table of tide gauges between Hessle and Burton Stather. Scale 3 inches to one mile. Previous reference: LM10.</p> <p>1 item</p>	1963
L MAPS/3/47	<p>Map of England's East Coast, from Blakeney to Flamborough Head, compiled from admiralty surveys up to 1962.</p> <p>Includes tables showing tidal streams and tidal height above datum of soundings. Previous reference: 1192.</p> <p>1 item</p>	1972
L MAPS/3/48	<p>Map of England's East Coast, showing the River Humber, from Immingham Dock to Barton Haven.</p> <p>Includes tidal levels referred to datum of soundings and tidal streams. Previous reference: 3497.</p> <p>1 item</p>	1974

Maps, charts, and surveys

L MAPS/3/49	<p>Map of England's East Coast, showing the entrance to the River Humber.</p> <p>Includes maps for Trent Falls to Gainsborough and Hull to Goole. Tables showing tidal streams and tidal levels referred to datum of soundings. Previous reference: 109.</p> <p>1 item</p>	1974
L MAPS/3/50	<p>Map of England's East Coast, River Tyne to Flamborough Head.</p> <p>Includes tables showing tidal levels to datum of soundings and tidal streams. Previous reference: 1191.</p> <p>2 items</p>	1977
L MAPS/3/51	<p>Map of England's East Coast, showing the entrance to the River Humber.</p> <p>Scale 1:50,000. Also includes maps of scale 1:100,000 showing Trent Falls to Gainsborough and Hull to Goole, as well as tables showing tidal streams and tidal levels to datum of soundings. Previous reference: 109.</p> <p>1 item</p>	1980
L MAPS/3/52	<p>Map of the River Humber and the River Ouse and Trent.</p> <p>Includes maps for Humber Bridge to Whitton Ness, Whitton Ness to Goole and Keadby, Keadby to Gainsborough and Goole. Also includes a diagram to show changes in chart datum and tidal levels in the River's Humber, Trent and Ouse, as well as a table showing tidal streams. Previous reference: 109.</p> <p>1 item</p>	1994
L MAPS/3/53	<p>Map of the River Humber, from Immingham to Barton Haven.</p> <p>Includes maps for the eastern part of the Hull Docks, the western part of the Hull Docks and Immingham. Also includes a table showing tidal levels referred to datum of soundings and tidal streams. Previous reference: 3497.</p> <p>1 item</p>	1995
L MAPS/3/54	<p>Map of England's East Coast, from Whitby to Flamborough Head.</p> <p>Includes tables showing tidal streams and tidal levels referred to datum of soundings. Previous reference: 129.</p> <p>1 item</p>	1995

Maps, charts, and surveys

L MAPS/3/55	Map of England's East Coast, from Flamborough Head to Withernsea. Includes tables showing tidal levels to datum of soundings and tidal streams. Previous reference: 121. 1 item	1995

L MAPS/7/25	Plan of the port, docks and harbour of Kingston Upon Hull, shewing all the recent improvements effected by the Hull Dock Company, by Goddard and Son, Lithographers, Hull. Illustrated map. Includes a table showing the water area of the respective docks and basins. Previous reference: LM9. 1 item	1863
L MAPS/7/26	Plan of the port, docks and harbour of Kingston Upon Hull, shewing all the recent improvements effected by the Hull Dock Company, Goddard and Son, Lithographers, Hull. Illustrated map, includes a table showing the water area of the respective docks and basins. Previous reference: LM9. 2 items	1866

Maps, charts, and surveys

L MAPS/7/27	Plan of the Port Docks and Harbor of Kingston Upon Hull, shewing all the recent improvements effected by the Hull Dock Company, 1866. Goddard and Son, Lithographers, Hull. 1 item	1866
L MAPS/7/28	Plan of the port, docks and harbour of Kingston Upon Hull, shewing all the recent improvements effected by the Hull Dock Company, to the 31st December 1867, by Goddard and Son, Lithographers, Hull. Illustrated map, includes a table showing the water area of the respective docks and basins 1 item	1867
L MAPS/7/29	Plan of the port, docks and harbour of Kingston Upon Hull, shewing all the recent improvements effected by the Hull Dock Company, by Goddard and Son, Lithographers, Hull. Illustrated map, includes a table showing the water area of the respective docks and basins. Previous reference: LM9. 1 item	1872
L MAPS/7/30	Plan of the port, docks and harbour of Kingston Upon Hull, shewing all the recent improvements effected by the Hull Dock Company, by Goddard and Son, Lithographers, Hull. Includes a table showing the water area of the respective docks and basins, a list of locks and entrances and a list of directors and officers of the Hull Dock Company 1 item	1877
L MAPS/7/31	Town Docks and proposed site of Drypool Bridge Large scale map. Previous reference: LM9. 1 item	c.1880
L MAPS/7/32	Proposed Alexandra Dock at Hull, Session 1880, by Oldham and Bohn, Hull, resident engineers. Illustrated map. Previous reference: LM9. 2 items	1880
L MAPS/7/33	Hull Barnsley and West Riding Junction Railway, Session 1880. Includes a list of routes. Previous reference: LM9. 1 item	1880

Maps, charts, and surveys

L MAPS/7/34	Hull Barnsley and West Riding Junction Railway and Dock, extension of railway to Huddersfield and Halifax, and extension of dock, by C. F. Kell, Lithographers, London. Illustrated map with an explanation key. Previous reference: LM9. 1 item	1880
L MAPS/7/35	Hull, Barnsley and West Riding Junction Railway and Dock, by Waterlow and Sons Ltd. Showing proposed railway and stations and principal existing collieries. Includes an illustrated map of the proposed dock at Hull. Previous reference: LM9. 2 items	1880
L MAPS/7/36	Plan of the docks at Kingston Upon Hull, shewing the estate of the Hull Dock Company. Includes a list of tidal basins and locks and entrances. Previous reference: LM9. 1 item	1882
L MAPS/7/37	Hull Barnsley and West Riding Junction Railway, Session 1882, by C.F. Kell, Lithographer Includes a list of routes. Previous reference: LM9. 1 item	1882
L MAPS/7/38	Hull, Barnsley and West Riding Junction Railway and Dock Company, Alexandra Dock under construction to be completed 1884 and proposed extension authorised 1882, Thos. Kell and Son Illustrated map, includes a list of particulars of dock works. Previous reference: LM9. 2 items	1882
L MAPS/7/39	Plan of the Estate of the Dock Company at Kingston Upon Hull, 1885, by Goddard and Son, Lithographers, Hull. Includes lists of steam and hydraulic cranes, warehouses, docks, locks and entrances and trades and where conducted. Previous reference: LM9. 1 item	1885
L MAPS/7/40	Plan of a Railway Dock Showing Railway Dock, Basin and Humber Dock 1 item	c.1890
L MAPS/7/41	Map of L.N.E.R. Hull Docks Showing Victoria Dock and Alexandra Dock 1 item	c.1890

Maps, charts, and surveys

L MAPS/7/42	North Eastern Railway, plans and sections, Session 1898, by Andrew Reid and Company Ltd. Includes Kingston Upon Hull, Ripon and Selby 1 item	1898
L MAPS/7/43	Map of the North Eastern Railway and connections. Includes colour coded explanation table, colour coded list of principal natural products, list of principal industrial products and manufactures, list of fish landed at and forwarded from and list of principal imports. Illustrated map covering the area Granton, Holy Island, Sunderland, Bridlington, Spurn, Skegness, Newark, Crewe, Chester, Southport, Workington, Carstairs, York, Hull and Manchester. Previous reference: LM9. 1 item	1910
L MAPS/7/44	Hull and Barnsley Railway, carriers to and from all parts, map of Alexandra Docks, Hull. Includes written information on Alexandra Dock, Hull 2 items	1910
L MAPS/7/45	North Eastern Railway, map of the Docks and Railways in Hull Includes information about the docks. 1 item	1912
L MAPS/7/46	Map of North Eastern Railway Area including Withernsea, Hull, Sheffield, Bradford, Hawes, Penrith, Berwick, Sunderland and Scarborough. Previous reference: LM9. 1 item	1913
L MAPS/7/47	North Eastern Railway, map of the docks and railways in Hull. Includes information about the docks. Previous reference: LM9. 1 item	c.1914
L MAPS/7/48	London and North Eastern Railway, Hull Level Crossings, plans and sections, Session 1929-30, by John Miller, engineer. Bound folder of maps, includes an index 1 volume	1929

Maps, charts, and surveys

L MAPS/7/49	East Yorkshire Motor Services Ltd., map of routes together with associated British Railways Includes road routes and rail routes, area including Withernsea, Hull, Goole, Knottingley, Tadcaster, Kirbymoorside, Scarborough, York and Beverley 1 item	c.1940
L MAPS/7/50	King George Dock, authorised developments Includes a description of works 1 item	1960
L MAPS/7/51	British Transport Docks Board, plan of docks at Hull Colour coded plan 1 item	1971
L MAPS/7/52	British Transport Docks Board, plan of docks at Hull Colour coded plan 1 item	Aug 1951
<b>L MAPS/8</b>	<b>Geological surveys</b> 49 items	<b>1881-1998</b>
L MAPS/8/1	Ordnance Survey, Geological Survey of England and Wales, sheet 55, drift geology edition (old series sheet 95 S.E.). Includes an index of signs and a table showing average scale of oolite and cretaceous Rocks, 200 feet to one inch. Area including Speeton, Bempton and Flamborough. Scale one inch to a mile. 1 item	1881
L MAPS/8/2	Ordnance Survey, Geological Survey of England and Wales, sheet 63, drift and solid geology editions (old series sheet 93 N.E.). Includes an index of signs and an index of colours and signs. Area including Millington, York, Stillington, High Hutton, North Grimston and Kirkby Underdale. Scale one inch to one mile. 3 items	1882
L MAPS/8/3	Ordnance Survey, Geological Survey of England and Wales, sheet 65, drift and solid geology editions (old series sheet 94 N.E.). Includes an index of signs and an index of colours. Area including, Atwick, Barmston, Boynton and Bridlington. Scale of one inch to a statute mile. 2 items	1882

Maps, charts, and surveys

L MAPS/8/4	<p>Ordnance Survey, Geological Survey of England and Wales, sheet 73, drift geology edition (old series sheet 94 S.E.) Hornsea. Includes a colour coded index. Area including Tunstall, Bilton, Rise, Bewholme, Hornsea, and Aldbrough. Scale 1 : 50,000. One of the maps is a 1990 reprint. 2 items</p>	1882
L MAPS/8/5	<p>Ordnance Survey, Geological Survey of England and Wales, sheet 64, solid and drift geology editions (old series sheet 94 N.W.) Great Driffield Includes an index of colours and signs a table showing scale of average thickness for cretaceous and oolitic rocks, 200 feet to one inch. Area including North Frodingham, Cranswick, Huggate, Wharram Le Street, Langtoft, Rudston and Burton Agnes. Scale one inch to a statute mile. One of the maps is a 1954 reprint showing solid and drift editions combined. 3 items</p>	1884
L MAPS/8/6	<p>Ordnance Survey, Geological Survey of England and Wales, sheet 72, drift and solid geology editions (old series sheet 94 S.W.) Beverley Includes an index of colours and signs, a table of Scale of average thickness for cretaceous rocks, 200 feet to one inch. Area including Cottingham, North Cave, Market Weighton, Middleton on the Wolds, Watton, Brandsburton and Beverley. Scale one inch to a mile. 2 items</p>	1884
L MAPS/8/7	<p>Ordnance Survey, Geological Survey of England and Wales, sheet 71, drift and solid geology editions (old series sheet 93 S.E.). Includes an index of colours and signs. Area including Spaldington, Cawood, Acaster Malbis, Heslington, Wilberfoss, Hayton, Holme on Spalding Moor and Pocklington. Scale of one inch to a statute mile. 2 items</p>	1885
L MAPS/8/8	<p>Ordnance Survey, Geological Survey of England and Wales, sheet No. 86, drift and solid geology editions. Includes an index of signs and a colour coded index relating to lias, oolite, cretaceous, glacial and post glacial and recent land. Includes a scale of statute miles. 2 items</p>	1885

Maps, charts, and surveys

L MAPS/8/9	<p>Ordnance Survey, Geological Survey of England and Wales, index map sheet 6.                  Area including Great Grimsby, Epworth, Pocklington, Pickering, Whitby, Flamborough Head and Hull. Scale of four miles to one inch.                  1 item</p>	1889
L MAPS/8/10	<p>Ordnance Survey, Geological Survey of England and Wales, solid geology edition, sheet 7.                  Includes a colour index. Area including Hull, Epworth, Manchester, Clitheroe, Hawes, Bedale, Thirsk, Great Driffield, York and Leeds. Scale of four miles to one inch.                  1 item</p>	1901
L MAPS/8/11	<p>Ordnance Survey, Geological Survey of England and Wales, Flamborough, drift geology edition, sheet 55 (old series sheet 95 S.E.).                  Includes an index of signs and a colour coded index showing average scale for oolite and cretaceous rocks. Area including Flamborough Head up to Reighton Sands. Scale of one inch to a statute mile.                  1 item</p>	1909
L MAPS/8/12	<p>Ordnance Survey, Geological Survey of England and Wales, drift geology edition, sheet 64 (old series sheet 94 N.W.).                  Includes an index of colours and signs. Area covering North Frodingham, Hutton Cranswick, Huggate, Wharram le Street, Langtoft, Rudston and Driffield. Scale of one inch to a statute mile.                  1 item</p>	1909
L MAPS/8/13	<p>Ordnance Survey, Geological Survey of England and Wales, drift geology edition, sheet 65 (old series sheet 94 N.E.).                  Includes an index of signs and an index of colours. Area including, Atwick, Barmston, Boynton and Bridlington. Scale of one inch to a statute mile.                  2 items</p>	1909
L MAPS/8/14	<p>Ordnance Survey, Geological Survey of England and Wales, drift geology edition, sheet 72 (old series sheet 94 S.W.)                  Includes an index of colours and signs. Area including Sutton, Cottingham, North Cave, Market Weighton, Nunburnholme, Kilnwick, Brandsburton and Long Riston. Scale of one inch to a statute mile.                  1 item</p>	1909

Maps, charts, and surveys

L MAPS/8/15	<p>Ordnance Survey, Geological Survey of England and Wales, drift geology edition, sheet 73 (old series sheet 94 S.E.). Includes a colour coded index. Area including Tunstall, Swine, Rise, Bewholme, Hornsea and Aldbrough. Scale one inch to a statute mile. 1 item</p>	1909
L MAPS/8/16	<p>Ordnance Survey, Geological Survey of England and Wales, drift and solid geology editions, sheet 8. Includes a colour coded index. Area including Saltfleet, Stainton le Vale, Hedon, Hornsea, Bridlington and Withernsea. Scale of quarter inch to one mile. 2 items</p>	1935
L MAPS/8/17	<p>Ordnance Survey, Geological Survey of Great Britain, drift geology edition, sheet 79, Goole Includes an explanation of geological symbols and colours. Area including Crowle, Askern, Kellington, Hambleton, Hemingbrough, Gilberdyke, Ousefleet and Goole. Scale one inch to one statute mile. 1 item</p>	1964
L MAPS/8/18	<p>Ordnance Survey, Geological Survey of Great Britain, solid and drift geology edition, sheet 63, York. Includes an index of signs and an index of colours and signs. Area including, Millington, Dunnington, York, Sutton on the Forest, High Hutton, North Grimston and Thixendale. Scale 1:50,000. 1 item</p>	1964
L MAPS/8/19	<p>Ordnance Survey, Geological Survey of Great Britain, drift and solid geology editions, sheet 80, Kingston Upon Hull. Includes diagrams of structure contours, rockhead contours and sections showing general relations of rocks along lines drawn on the map. Includes a key to drift symbols and colours, a key to geological symbols. Area including Ulceby, Croxton, Amcotts, Blacktoft, Newport, South Cave, Willerby and Hull. Scale 1:50,000. 2 items</p>	1964

Maps, charts, and surveys

L MAPS/8/20	<p>Ordnance Survey, Geological Survey of Great Britain, drift and solid geology editions, sheet 89, Brigg.</p> <p>Includes a diagram showing the general relations of the rocks along the lines on the map, and a diagram showing a section of the upper jurassic and lower cretaceous rocks. Also includes a key to geological symbols and a key to symbols and colours. Area including Caistor, Snitterby, Laughton, Gunness, Scunthorpe, Broughton, Kirmington and Brigg. Scale 1:50,000.</p> <p>2 items</p>	1964
L MAPS/8/21	<p>Ordnance Survey, Institute of Geological Sciences, hydrogeological map of East Yorkshire</p> <p>Includes hydrographs and diagrams showing saline water intrusion and relations of rocks and the saturated zone of the chalk group. Area including Spurn Point, Hull, Gilberdyke, Malton, Wilton, Filey and Hornsea. Scale 1:100,000.</p> <p>1 item</p>	1980
L MAPS/8/22	<p>Ordnance Survey, Institute of Geological Sciences, Tyne-Tees, sheet 54 N-02 W, solid geology.</p> <p>Includes an explanation of colours, lithological ornament and symbols. Area including Bridlington, Knaresborough, Great Whernside, Barnard Castle, Newcastle-Upon-Tyne, South Shields, Harlepool and Scarborough. Scale 1:250,000.</p> <p>1 item</p>	1981
L MAPS/8/23	<p>Ordnance Survey, Institute of Geological Sciences, Humber - Trent, sheet 53 N-02 W, solid geology.</p> <p>Includes an explanation of colours, lithological ornament and symbols. Area including Lincoln, Newark-On-Trent, Halifax, Harrogate, York, Scunthorpe and Doncaster. Scale 1:250,000.</p> <p>2 items</p>	1983
L MAPS/8/24	<p>Ordnance Survey, Geological Survey of Great Britain, drift and solid geology editions, sheet 80, Kingston Upon Hull.</p> <p>Includes diagrams of structure contours, rockhead contours and sections showing general relations of rocks along lines drawn on the map. Includes a key to drift symbols and colours, a key to geological symbols. Area including Ulceby, Croxton, Amcotts, Blacktoft, Newport, South Cave, Willerby and Hull. Scale 1:50,000.</p> <p>2 items</p>	1983

Maps, charts, and surveys

L MAPS/8/25	<p>Ordnance Survey, British Geological Survey, Spurn, sheet 53N-00, solid geology. Includes an explanation of colours, lithological ornament and symbols, a key to generalized subsurface geology and a key to generalized vertical sections. Scale 1:250,000. 1 item</p>	1985
L MAPS/8/26	<p>Ordnance Survey, British Geological Survey, Flamborough and Bridlington, drift and solid geology edition, sheets 55 and 65 Includes a key to drift symbols and colours and a key to solid symbols and colours. Area including Flamborough, Bridlington, Atwick and Speeton. Scale 1:50,000. 2 items</p>	1985
L MAPS/8/27	<p>Ordnance Survey, British Geological Survey, sea bed sediments and quaternary geology, Tyne-Tees, sheet 54N-02W. Includes a key to colours and symbols and keys for solid geology and carbonate content. Scale 1:250,000. 1 item</p>	1986
L MAPS/8/28	<p>Ordnance Survey, British Geological Survey, sea bed sediments, Spurn, sheet 53N-00 including part of Humber-Trent, sheet 53N-02W. Includes a key to colours and symbols and keys for geophysical traverses, distribution of sandwaves and carbonate content. Scale 1:250,000. Also includes a map of the Humber estuary, scale 1:100,000. 1 item</p>	1990
L MAPS/8/29	<p>Ordnance Survey, British Geological Survey, quaternary geology, Spurn, sheet 53N-00 Includes an explanation of colours and an explanation of symbols. Scale 1:250,000. 1 item</p>	1991
L MAPS/8/30	<p>Ordnance Survey, British Geological Survey, drift and solid geology edition, Patrington, sheet 81 and including parts of sheets 82 and 90. Includes an index and explanation of symbols and colours and a key to distribution of quaternary offshore sediments. Area including Spurn Head, Immingham, Paull, Roos and Withernsea. Scale 1:50,000. 1 item</p>	1991

## Maps, charts, and surveys

L MAPS/8/31	<p>Ordnance Survey, British Geological Survey, solid and drift geology edition, Great Driffield, sheet 64 Includes a key to Geological Symbols and Colours and a key to Generalized Sections of Exposed and Concealed Strata. Area including North Frodingham, North Dalton, Fridaythorpe, Duggleby, Rudston and Driffield. Scale 1:50,000. 1 item</p>	1993
L MAPS/8/32	<p>Ordnance Survey, British Geological Survey, drift and solid geology edition, Beverley, sheet 72 Includes a key to symbols and colours and a key to jurassic, cretaceous, carboniferous, permian and triassic strata. Scale 1:50,000. 1 item</p>	1995
L MAPS/8/33	<p>Ordnance Survey, British Geological Survey, drift and solid geology edition, Hornsea, sheet 73 Includes a colour coded key and a key to carboniferous, permian, triassic and jurassic strata. Area including Tunstall, Bilton, Skirlaugh, Bewholme, Hornsea and Albrough. Scale 1:50,000. 1 item</p>	1998
<b>L MAPS/9</b>	<b>Aeromagnetic maps</b>	<b>1955-1987</b>
	14 items	
L MAPS/9/1	<p>Geological Survey of Great Britain, aeromagnetic map of part of Great Britain and Northern Ireland, sheet 9. Scale 1 : 250,000 2 items</p>	1955-1961
L MAPS/9/2	<p>Ordnance Survey, Soil Survey of England and Wales, Barmby Moor, sheet SE74. Includes a table showing an Explanation of Mapping Units. Area including Barmby Moor, Seaton Ross, Cottingwith, Sutton Upon Derwent, Allerthorpe and Bielby. Scale 1:25,000. 2 items</p>	1971
L MAPS/9/3	<p>Ordnance Survey, Soil Survey of England and Wales, Escrick, sheet SE64. Includes a table showing an explanation of mapping units. Area including Escrick, Thorganby, Naburn, Fulford, Heslington and Elvington. Scale 1:25,000. 2 items</p>	1973

Maps, charts, and surveys

L MAPS/9/4	Humber-Trent sheet 53N-02W, Institute of Geological Sciences, aeromagnetic anomaly map Includes written explanation and key to grid lines and intersections, latitude and longitude graticule and to values printed around the edge of the map and the outer frame. Scale 1:250,000. 1 item	1977
L MAPS/9/5	Ordnance Survey, Soil Survey of England and Wales, Selby sheet SE 63/73. Colour coded map with colour coded table showing an explanation of map units. Area including Eastrington, Hemingbrough, Selby, Skipwith, Ellerton and Spaldington. Scale 1:25,000. 1 item	1978
L MAPS/9/6	Institute of Geological Sciences, aeromagnetic anomaly map, Spurn, sheet 53N-00. Includes an explanation, a survey key and key to grids. Scale 1:250,000. 1 item	1983
L MAPS/9/7	Ordnance Survey, Soil Survey of England and Wales, soils of Northern England, sheet 1 Colour coded map with a colour coded table showing soil map units, table showing an explanation of soil map symbols, a map showing the references for maps within sheet 1 and an index to the 1:250,000 soil map series. Scale 1 : 250,000. 1 item	1983
L MAPS/9/8	Ordnance Survey Soil Survey of England and Wales, Brandesburton, sheet TA14. Colour coded map with colour coded table showing an explanation of map units. Scale 1 : 25,000. 1 item	1983
L MAPS/9/9	British Geological Survey, aeromagnetic anomaly map, Tyne-Tees, sheet 54N-02W. Includes an Explanation, a survey key and key to grids. Scale 1 : 250,000. 1 item	1985

Maps, charts, and surveys

L MAPS/9/10	Ordnance Survey Soil Survey of England and Wales, Fridaythorpe, sheet SE85. Includes a table showing a description of map units, a table showing classification of soil series and a map showing the location of survey area. Area including Fridaythorpe, Warter, Millington, Kirby Underdale, and Huggate. Scale 1:25,000. 1 item	1985
L MAPS/9/11	Soil Survey of England and Wales, soils of the Market Weighton District, sheet 106. Colour coded map with a colour coded alphabetical list of villages, a colour coded table showing an explanation of soil subgroup symbols and a map showing the location of survey area. Area including South Ferriby, Goole, Snaith, Skipwith, Towthorpe, Fridaythorpe, Great Driffield and Kirkella. Scale 1:50,000. 1 item	1987
<b>L MAPS/10</b>	<b>German Luftwaffe Maps</b> 1 item	<b>1941</b>
L MAPS/10/1	German Luftwaffe Map of Stoneferry Gas Works, Hull 1 item	29 Apr 1941
