List of trawlers

1897-1929

Possibly a list of those slipped at St Andrew's Dock, Hull between 1897-1924, it lists nearly 15,000 vessels but only gives the vessel name and does not include any other specific information. Months are noted generally at the top of some pages but cannot be identified or determined for a particular entry. It also has a list of repairs to vessels (Oct 1908-Jun 1929).
